Business Sponsor

The Scripps Ranch Elder Care Alliance (SRECA) is a non-profit, volunteer organization created to provide Scripps Ranch seniors with services and support for independent living. The SRECA is dedicated to helping its members live life to the fullest in their own homes as they grow older.

The SRECA is seeking business sponsors to increase our outreach in the senior community and offer more choices for resources, products, and services. The senior population in Scripps Ranch is large and growing. Approximately 28% of Scripps Ranch residents are over the age of 50 and their needs and lifestyles are diverse. Many are active, involved in the community, and loyal to the local economy. We want to help you reach this market and generate funding for the SRECA to continue support for seniors in Scripps Ranch.

Benefits for SRECA Business Sponsor - \$250 per year

- Featured sponsor recognized in one issue of the SRCA *Newsletter* (a circulation of 12,000 households)
- Recognition as a sponsor on the SRECA website
- Advertising in SRECA brochures and/or flyers
- Advertising at events
- Priority for booth space at SRECA events

The SRECA is a 501c3 non-profit corporation (tax #27-1186097). Donations may be deductible based on your tax status. As we grow, we will seek opportunities to increase your sponsor recognition. Please join us in making a difference in supporting our senior community – become a business sponsor of the SRECA. If you have any questions, please contact Ron Greenwald at 858-776-5863.

Proud member of the Scripps Ranch Civic Association
